**Race and Ethnicity Information**

We want to make sure that all our patients get the best care possible. We would like you to tell us your child’s racial and ethnic background as well as your preferred language so that we can review the treatment that all patients receive and make sure that everyone gets the highest quality of care. You may decline to answer if you wish.

The only people who see this information are registration staff, administrators for the practice, your care providers, and the people involved in quality improvement and oversight, and the confidentiality of what you say is protected by law.

Please mark the appropriate response:
